Important Points to consider:

- Campers are more active at camp than they may be at home so may go through more clothing than they normally would, we therefore ask you to pack accordingly and pack more than enough clothing for 2 days.
- Labelling all the campers clothing and belongings with their name will ensure they are returned to the camper. The camp will not take responsibility for lost belongings.
- Medications cannot be accepted unless they are in their original packaging.
- Valuable belongings such as cell phones and tablets should not be brought to camp. The camp will not be held responsible for lost or damaged possessions.
